

# **BPEA follow up**

## ***2020 consultation***

**Susan Glover Takahashi, M.A.(Ed), PhD**

Director, Education & Research, PostMD Education

Integrated Senior Scholar – Centre for Faculty  
Development & PostMD Education

Lead, Faculty Development– CBME

# **BPEA follow up to 2020 consultation**

- Learners & faculty consultation on:
  - CBD
  - EPAs
  - Entrustment scale

# Actions to date

- Updated EPA scale within available technical parameters. **Done in July 2020**
- High level report to PGMEAC
- High level presentation at ICRE Program Evaluation Summit, CBME Faculty Development Leads' Meeting.
- Establishing a Resident Advisory Working Group on CBME Faculty Development.

# Draft PLANS for action

- Evaluation of impact of entrustment scale refinements via brief survey, focus group(s) *Planned timing: Jan-March 2021*
- Consult with systems team on available additional technical parameters for entrustment scale refinements
- Audit of a sample of Competence Committee documents for consistency with PGMEAC/BPEA guidelines and templates including identification on strengths, limits and areas for improvement.
- Monitor Elentra change re: expiry of assessments, COVID impacts

# Next year

- “Visualizing” resident progress (whether automated or manual – e.g. via PA or personal tracking)
