Orientation Activities & Common Hospital Orientation

**Caroline Abrahams
Director, Administrative Services & Strategy**

**Janine Hubbard
Manager, Admissions & Registration**

TEMERTY FACULTY OF MEDICINE
UNIVERSITY OF TORONTO

Orientation Activities

- Onboarding, social & orientation activities for new residents should be held **AFTER** July 1.
 - Reminder – appointment with UofT does not begin until July 1, 2026
- Program activities should be planned with protected time.
- Any activities, mandatory or voluntary, occurring prior to training commencement date must be provided with a **time-in-lieu** in compliance with the PARO-OTH agreement.

Common Hospital Orientation Day

- In 2015, both HUEC and PGMEAC agreed on the notion of a common date dedicated for Hospital Orientations.
- Intended to streamline scheduling of both hospital-based orientation days and mandatory program-based curricular events
- Scheduled for the first business day following July 1st; for the 2026 -2027 academic year this will be Thursday, July 2, 2026.
 - Assumption that all activities will be within business hours and completed by 4PM to ensure call commitments are not impacted.
- Please keep this in mind when planning program activities/events.

Save the Date - New Resident Reception

- PGME's New Resident Reception for all new residents will be held Tuesday, July 7, 2026, 5:00PM – 7:00PM.
- Location: MaRs Discovery District (Auditorium), 101 College Street, Toronto
- Excellent opportunity to network with their peers, and familiarize themselves with resources available.
- Please encourage your new residents to attend; invitation will be distributed shortly after match day.
- Program Directors, Department Leadership, and Program Administrators are welcome to attend
