

ACCREDITATION FOLLOW-UP IRC UPDATE

PGMEAC

Sept 24, 2021

Linda Probyn

TEMERTY FACULTY OF MEDICINE
UNIVERSITY OF TORONTO

Accreditation Follow-up

- RC and CFPC Accreditation Nov/Dec 2020
- Outcome:
 - 55 Programs – Regular Review
 - 16 Programs – APOR (Action Plan Outcome Report)
 - 4 Programs – ER (External Review)
 - 3 Programs – NOI (External Review)
- Follow-up changed to **3 yr follow-up**

Internal Review Committee

- Reviewed all Programs with APOR
- APOR:
 - New
 - Programs need to demonstrate with evidence, the impact of the changes they've made to address the AFIs
 - IRC providing guidance on what will be needed for documentation
 - Programs are submitting Action Plans (what they will do and how this will be documented)

Internal Review Committee

- Presented 3 programs Action Plans, feedback and recommendations provided to the programs
- Institutional Review
 - Accreditation Status – new
 - APOR
 - IRC to review at upcoming meeting

Accreditation Team

- Working closely with program to help address AFIs
- Reaching out to those who can provide support
- Examples:
 - Engaged Office of Learner Experience and Data Management and Integration Group (DMAG)
 - Workshops on Hidden Curriculum
