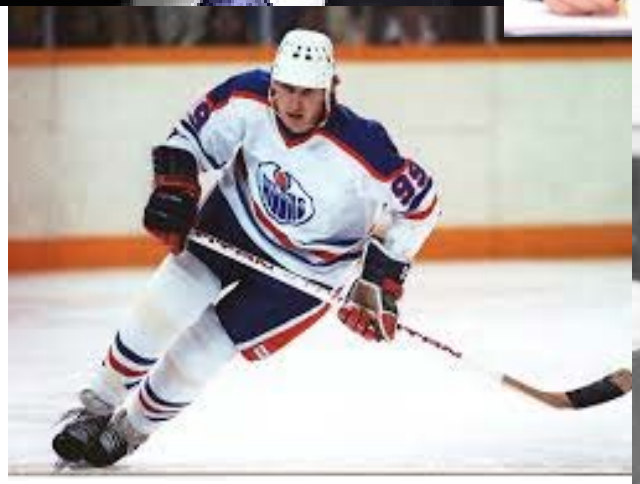
Leadership



Outline

1. Leadership education for physicians

   What? Why? Why now?

2. What is PGME doing about it?

   - Chief resident leadership forum
   - TISLEP (Toronto International Leadership Education for Physicians)
   - sanokondu.com curriculum

3. Going forward:

   - Leadership education network

What is a leader?

Effective leaders across diverse settings demonstrate the abilities to

- articulate a vision or goal,
- communicate this vision to others,
- build willing support for this vision, and
- empower others through passion and teamwork to be leaders in return.

Blumenthal, Academic Medicine, 201

5 Levels of Leadership
