

A nighttime photograph of the Royal Victoria Regional Health Centre (RVH) building. The building features a prominent glass facade and a large, illuminated entrance canopy. The text "PGMEAC - SITE UPDATE" is overlaid in large, white, bold letters at the top. Below it, the text "ROYAL VICTORIA REGIONAL HEALTH CENTRE (RVH)" is also overlaid in large, white, bold letters. In the foreground, a sign for the RVH is visible, displaying the logo and the name in both English and French.

- Internal Medicine
- Medical Oncology
- Medicine
- Nephrology
- OBGYN
- Pediatrics
- Plastic Surgery
- Psychiatry
- Radiation Oncology
- Rheumatology
- Urology

Medical Education at RVH

- **Continuous improvements of the learning environment**
 - We are constantly looking for opportunities to improve our learner experience
- **Streamlined onboarding processes**
 - Leveraging automation through redcap, learners complete their onboarding up to 21 days before arriving on site to maximize the amount of time they can spend in clinic on their first day
- **Individualized experiences for medical learners**
 - Each learner is met in person on their first day, provided with their badge, taken to the parking office and provided a tour of the facilities prior to attending computer training
- **Support throughout a learner's rotation**
 - Learners are provided with the contact information of the medical education office and they are encouraged to reach out with any questions via cell phone or email
