

Internal Review Committee Activities (L. Probyn/L. Murgaski/Y. Ishmael)

The Internal Review Committee (IRC) is a subcommittee of the Postgraduate Medical Education Advisory Committee (PGMEAC) for the University of Toronto, Temerty Faculty of Medicine. For more information, please go to: <https://pgme.utoronto.ca/accreditation>

INTERNAL REVIEWS

The 2024-2026 internal review cycle is underway!

Review teams are currently being organized.

Programs with Confirmed Internal Review Dates

36	3	16
RC Programs	AFC Programs	FM Core Sites

The expectation is that **all program directors participate in at least 2 internal reviews over the course of the internal review cycle**, once as chair of the review team and once as the second reviewer.

Internal reviews qualify for 15 credits (per year) under Section 2, peer review. Please refer to <https://www.royalcollege.ca/en/cpd/maintenance-of-certification-program/moc-framework.html>
