

Michael Garron Hospital Update

February 2025

Updates

- 1) Redevelopment: Medical Education Space
- 2) Medical Office Education Restructuring
- 3) SAM Partnership & UME Expansion
- 4) Education & Research Chair
- 5) New Medical Education Excellence Awards
- 6) PARO report

REDEVELOPMENT: MED ED SPACE

In January 2023, the MedEd Department moved to the new MGH tower

The Carswell Family Office of Medical Education facilities include:

- A large teaching room
- Simulation facilities
- Nine on-call rooms, washrooms, and showers
- Two learner locker rooms
- A computer room
- A lounge/kitchen for learners

MEDICAL EDUCATION OFFICE RESTRUCTURING

- Medical Ed Office and Family Med Dept previously operated as one functional area in the organization
- A split was initiated in 2023 and full separation was completed in Spring 2024
- Subsequent restructuring of Medical Education Office completed in Fall 2024:
 - Manager, Medical Education
 - Coordinator, Undergraduate Medical Education
 - Coordinator, Postgraduate Medical Education
 - Coordinator, Medical Education Faculty Development
 - Education Research Scientist

SAM PARTNERSHIP & UME EXPANSION

- MGH will end its affiliation with Wightman Berris Academy to officially join the New Scarborough Academy
- In preparation we have had significant UME expansion, including:
 - Pre-clerkship Foundations Curriculum Teaching
 - Portfolio, CBL and increased ICE1/2
 - Clinical Clerkship Rotations in Surgery, Psychiatry, Medicine
 - Additional PA Rotations (TBD)

VP Academics and EDUCATION CHAIR

- VP Academics formed joining Research and Education in 2024
- MGH will hire an Education Chair in 2025
 - Expanding and working with our Research chair work to form more research but with education lens

MEDICAL EDUCATION TEACHER/LEARNER EXCELLENCE AWARDS

- MGH Medical Education Office launched new awards program in 2024
 - MGH Teaching Excellence Award
 - MGH Learner Excellence Award
- Nominations accepted throughout the academic year for all medical learners who have completed an educational experience at MGH

PARO REPORT

- PARO'S 2024 review of the resident on-call facilities reported that all call rooms were in compliance with the Collective Agreement
- MGH is participating in PARO's Safe Ride Home pilot project
 - Launched January 13, 2025
