Quota Allocations 2015-16

Presentation to PGMEAC
September 26, 2014

Postgraduate Medical Education
UNIVERSITY OF TORONTO

BACKGROUND

- All programs surveyed in May/June 2014 for 2015-16 Quota requests and rationale to support request.
- RCPSC specialty expansion paused indefinitely and MOHLTC has capped budget for MOH funded salaries and benefits.
- 9 new entry positions out of a planned total of 26.
- Future quota allocations to focus on internal distribution of positions within existing MOH funded cap (up to numbers).
- MOH funded subspecialty quotas will also be affected by fiscal constraint and MOH priorities for population health needs
