Site Initiatives and Updates

- ▶ Program assistants helps us with scheduling trainees.
- ▶ Working with SickKids and their ABILITY program and are improving our communication and process
- ▶ Ongoing challenges with WiFi access. SP staff often doesn't work. Guest access is not as secure.
- ▶ Physical space is limited for virtual appointments and report writing.

Leadership Supports

- ▶ We are looking into an EMR to help with the efficiency of documentation.
- ▶ Extra program assistant FTE.

Thank
You
