Standing Items

3. Subcommittee Updates

a) Appreciation & Recognition of the PA Event

- Event has been postponed until further notice due to COVID-19 pandemic
- Budget remains the same, does not carry over

4. Strengthening Partnership

- Sinthujah S will circulate the 2nd draft
- Shared the survey with Glen and Jackie, had minor feedback and changes from them and have their support to circulate the survey
- Send out survey with PGME's assistance, target to be sent by September 1st
- Lisa B will connect Sinthujah with Mariela who will assist getting it on Qualtrics

5. PGMEAC Update – Bernice Baumgart

- Trainee Vacation – may or may not receive funding for, but PARO has said to pay for vacation that was unused for 2019-2020 academic year. PGME is in discussion with PARO-CAHO regarding how to proceed but going to send out a survey to the residents to attest to how many days were unused, then the program will have to verify the data that the resident submits. Residents will have to submit to PGME by July 31st, then programs will have a couple of weeks to confirm.
- Prep sessions for Accreditation – PGME is offering extra sessions on top of the Royal College Pre-Site survey
- CaRMS will be virtual this year for 2021. PGME is looking at different platforms for the interviews and how to best support programs through this.

6. Hospital Onboarding – Bryan Abankwah

- Recently deployed to a different program at hospital, so nothing to report
- Sinthujah reported that there was a lot of talk about information sharing
- Cyber Security and Privacy Module was introduced in POWER for the trainees to complete
- HUEC agreed to delay the TB Testing, new deadline is September

7. PAAC Award Expansion

Mentioned above

8. Spotlight

- Building the structure and use the current list of new nominees to start spotlighting
- Massih will need access to Judgify from Lisa Bevaqua

New Business

9. Open Forum

- a. Dwayne inquired about using a vacation tracker and his department has decided on using MedRez vacation tracker and it's going well so far. www.medrez.net
- b. PPE Training – quite a bit of confusion about it. Emails were sent that it had to be completed prior to going to clinic for PGY1s. No clarity on where to have it done or who to contact to organize.
- c. ICRE 2020 – virtual conference with a modified schedule Sept 23-24. Also released a list of workshops and the fees have been reduced to half. Will the \$800 from PGME still be available to be used for the conference? Maureen has confirmed that the registration fee will be supported by the PGME.
- d. PAAC Meeting Dates 2020-2021 – Bernice will email the committee with dates for upcoming meetings.

The meeting was adjourned at 1:00pm.
