

STRATEGIC PLAN

Dr. Glen Bandiera, Associate Dean, PGME

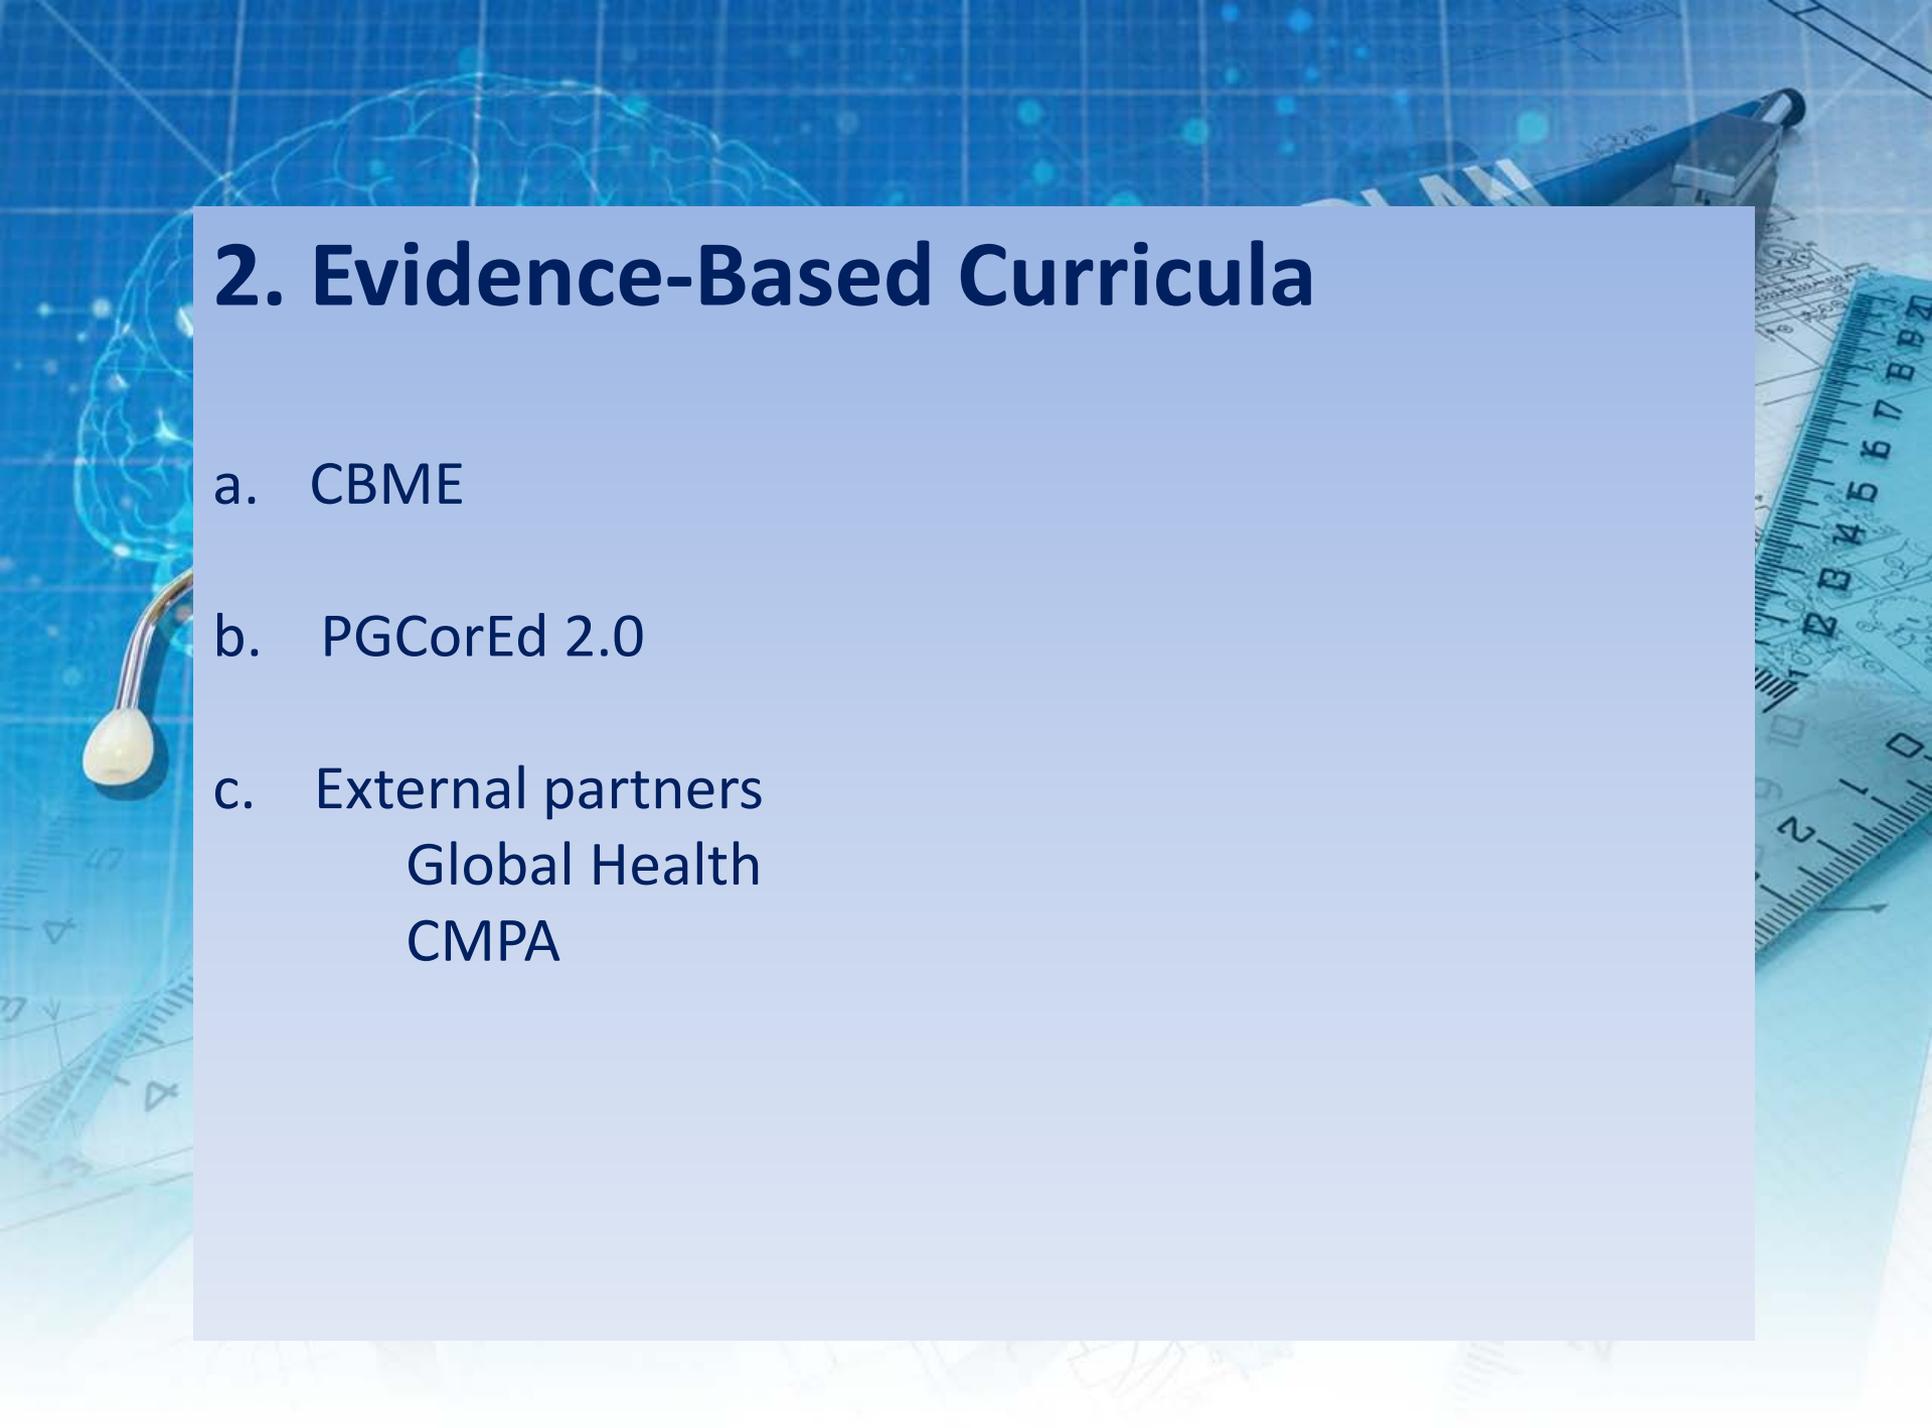

PGME Strategic Directions

1. Strengthen each learner's experience across the medical education continuum
2. Support and develop local, national and international leadership in evidence-based curricular innovation
3. Recognize and support clinical teachers in the delivery of learner and health-system focused education
4. Foster leadership in social accountability among PGME learners and faculty

1. Each learner's experience

- a. BPAS
- b. Resident and fellow surveys
- c. FEAC
- d. Wellness initiatives
- e. Enhanced curricula and partnership opportunities.

2. Evidence-Based Curricula

- a. CBME
- b. PGCorEd 2.0
- c. External partners
 - Global Health
 - CMPA

3. Support Teachers

- a. POWER reporting
- b. Faculty development (CFD partnership)
- c. Cohort-by-cohort rollout of CBME (with IT)

4. Social Accountability

- a. Quotas allocation
- b. BPAS
- c. Diversified training contexts
- d. GHEI
- e. Data and policy development (funding, impact, etc)
