

Welcome to U of T Libraries, new residents!

UNIVERSITY OF TORONTO
LIBRARIES

University of Toronto Libraries:

- ▷ Over 40 libraries across 3 campuses
- ▷ Gerstein library: best for Health Sciences:
- ▷ <https://gerstein.library.utoronto.ca/>
 - Medicine starting point

Gerstein.library.utoronto.ca

The screenshot shows the top section of the Gerstein Science Information Centre website. It features a dark blue header with the University of Toronto Libraries logo on the left and the text "GERSTEIN SCIENCE INFORMATION CENTRE" in white. Below the header is a navigation menu with tabs for "Research", "Services", "Visit", "Help", "About", "My Account", and "UofT".

Below the navigation menu, there are three main content areas:

- Left:** A photograph of the Gerstein building with the caption "Canada's largest academic science & health science library".
- Middle:** A teal box containing contact information:
 - HOURS:** Mar 18 - till further notice: BUILDING CLOSED
 - CONTACT:**
 - 9 King's College Circle
 - ask.gerstein@utoronto.ca
 - 416-978-2280
- Right:** Search and navigation options:
 - Start Your Search:** A search bar with the placeholder "Find books, articles, journals, library info and more" and a magnifying glass icon. A button labeled "Article finder" is to the right.
 - Catalogue:** A button labeled "Advanced search" is to the right. Below it are links for "Books | Journals | Course Reserves | Classic Catalogue".
 - Research & Course Guides:** Links for "Medicine | Pharmacy | Nursing | Rehabilitation | Public Health | Comprehensive Searching | Systematic & Scoping Reviews | Citation Management | COVID-19".

The Gerstein Science Information Centre's building is currently closed.
We are still online to support you: [Research Help & Teaching Support](#)
New! Wallace Room now open for computer or wifi access - Reserve your spot! | [Robarts Library Curbside Pickup Service](#) | More than 3 million titles now available from HathiTrust
