

Practice Ontario – Service for Medical Residents

Practice Ontario is a free career-planning service for postgraduate medical residents.

Postgraduate trainees can connect with a personal career advisor called a **Regional Advisor (RA)** for assistance with:

- Identifying locum, part time and full time job opportunities throughout Ontario
- Making connections with recruiters/employers across Ontario
- Preparation for interviews & contract negotiations
- Information about MOHTLC programs. (RoS, Northern Rural Recruitment & Retention Incentive)
