Ontario Health
HealthForceOntario

Who we are

Ontario Health

- We are an agency created by the Government of Ontario with a mandate to connect and coordinate our province's health care system in ways that have not been done before, to help ensure that Ontarians receive the best possible care.
- We work to support better health outcomes, patient experiences, provider experiences and value for health care dollars spent.

[Ontario Health](#)

This includes: HealthForce

- Supporting the planning, recruitment, retention, transition, and distribution of health practitioners in Ontario.

Practice Ontario Service for Medical Residents

Free career planning service for postgraduate medical residents.

A Regional Advisor can assistance with:

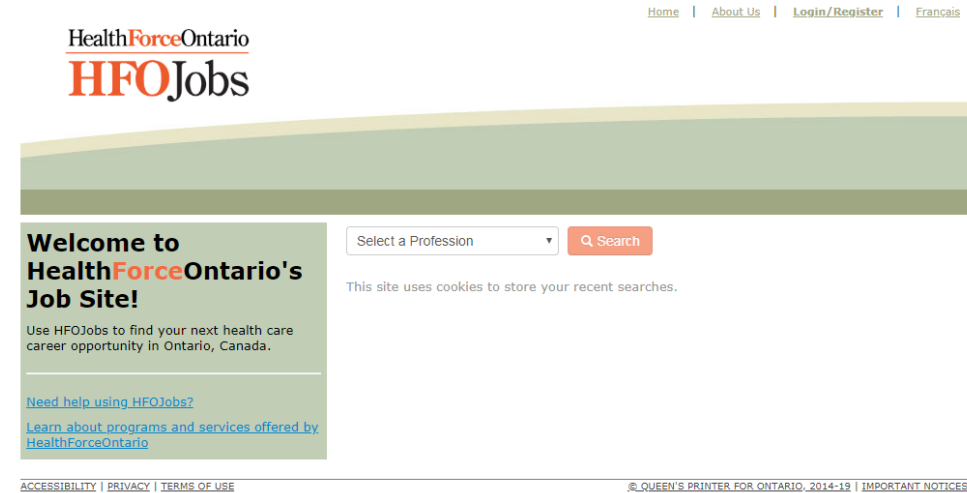

- Identifying locum, part-time & full-time job opportunities
- Making connections to recruiters/employers
- Information about Ministry programs (such as joining a FHO/FHN group, return of service, and northern and rural recruitment incentives)

Register for HFO's Practice Ontario
service & work with a Regional
Advisor

HFOJobs.ca – Finding Your Ideal Opportunity

HFOJobs is an online job board that connects health-care organizations, communities and employers to health care professionals seeking employment.

- Register for an account to view postings
- Create job alerts & save searches
- Variety of search criteria including by locum date(s)
- Locum options provided for adjacent date ranges in the same area

The Locum Experience

Benefits of providing locum coverage:

- Locum to network and find positions.
 - Diverse clinical experiences in different locations
 - An opportunity to earn income to pay off debt.
 - Opportunity to explore new ways of practicing.
 - Take a working vacation with the family or to hone specific skills.
-
- Placements may be as short as a few days or as long as a year may occur in any geographic region in the province.
