Dear PGME Learners

We are pleased to advise that you should now have access to the University of Toronto UCheck portal for the purpose of uploading COVID vaccination status, and completing COVID self-assessments. This is now a mandatory requirement for all staff, faculty and learners in the University of Toronto Community seeking access to University facilities such as libraries, University buildings and other common areas.

You will need your UTORID and password to access the site, which can be found at this link. The link also includes additional information about U of T’s vaccination requirements. https://www.utoronto.ca/utogether/uchek

Please let us know if you have any questions or concerns about this process.

Sincerely,

PATRICIA HOUSTON MD, MEd, FRCPC
Acting Dean | Vice Dean, Medical Education | Interim Associate Dean, Postgraduate Medical Education
Professor, Department of Anesthesiology and Pain Medicine
