

PAAC Update

- **Admin Series Sessions** - Planning is underway for the rest of 2022-2023 year. The first session is scheduled for December 1st on Competence Committees 2.0: Finding the Added Value for our Program.
- **Recruitment for PAAC Executive** - The Executive has put a call out to all Program Administrators for those interested in joining the committee. Administrators are asked to submit a notice of interest to the PAAC executive and include approval from their immediate supervisor.

COFM Update

- **MOH Expansion** – The current proposal for PGY1 entry positions has been submitted to the MOH. Feedback anticipated first week of December. Other aspects of MOH expansion remain under discussion.
- **Touchstone Program** – Will return to in-person/hybrid programming in 2023. They will not be delivering the ACLS course in 2023. The PG Deans have asked them to revisit this issue.
- **Peds and Psych Subspecialty Funding Proposal** – There will be a business case to address funding in these subspecialty programs. Funding pressures have resulted from CBD.

Internal Review Committee Activities

As a subcommittee of the Postgraduate Medical Education Advisory Committee (PGMEAC) for the University of Toronto, Temerty Faculty of Medicine., For more information, please go to:

<https://pgme.utoronto.ca/faculty-staff/accreditation/>

IRC Activities March 2021-November 2022

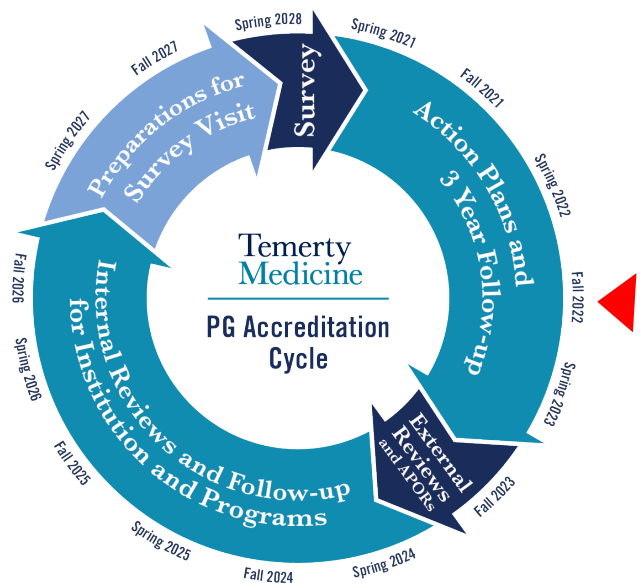

- 46 Programs AFI's and progress reviewed (AFC's included)
- 4 AFC Internal Review Reports
- Institutional draft action plan
- Learning Environment Process
- Program Administrator Report Process

Follow-up Requested

- 7 resubmit of Action Plans
- 3 internal reviews
- 9 resident reports
- 3 program administrator reports
- 3 follow-ups on AFIs related to Learning Environment

Timelines – What's coming next

- Programs have begun to submit Draft Action Plan Outcome Reports (APOR's) to the PGME office for review. The final versions are due to the RCPSC/CFPC by November 30, 2023.
- Programs with an outcome of external review, have begun internal reviews.
- The PGME office has begun to review Internal Review reports.

- Royal College will conduct external reviews by November 2023.
- The PGME office will begin organizing internal reviews of programs with follow-up at regular cycle in 2024-2026.
- The next accreditation on-site survey will take place November 2028.

The PGME Accreditation Team will continue to work with programs throughout each process. Workshops will be organized for PA's and PD's to support their program's needs. The Accreditation Team will meet with programs on request to review AFI's, discuss APOR's, accreditation questionnaires or assist with any questions with regards to the process. The PGME Assessment Team is also available to review ITERS/ITARS and other assessment needs of programs.

[Areas of Focus Competence \(AFC\) Programs](#)

The Royal College of Physicians and Surgeons of Canada has established national standards for evaluating and accrediting Canadian Areas of Focused Competence (AFC) programs. For New Applications for AFC programs (or Residency Training programs) can contact pgmecoordinator@utoronto.ca for application resources. PGME has developed an orientation manual for AFC programs which is available on our website
