CMPA  
WORKSHOP

**PATIENT  
SAFETY  
PRIMER**

Medico-legal  
essentials for  
residents

*Covering medico-legal essentials to reduce your medico-legal risk and keep patients safe*

# Agenda

- Introduction
- Case presentation
- Modules
  - Documentation
  - Informed consent
  - Teamwork
  - Disclosure
- Medico-legal Q&A

- “Interactive (despite being virtual)... this was the most interactive virtual event that I have ever been involved in!” – *Obstetrics & Gynecology Resident, PGY 3*

- “Applicability to practice as both a resident physician and (in the future) staff physician.” – *Medical Specialty Resident, PGY 2*

- “Case-based discussion and review with experience staff physicians.” - *Obstetrics & Gynecology Resident, PGY 2*

“I plan to revise my structure for obtaining informed consent. This is something we do every day, and it is crucial to be aware of the different components to cover.” – *Surgical Specialty Resident, PGY 1*

“Be more patient centered in my communication with patients especially in consent and disclosure” - *Family Medicine Resident, PGY 1*

“Being approachable, so that if and when I make an error in judgment, members of my team would not hesitate to draw my attention to the issue.” - *Family Medicine Resident, PGY 1*
